President Jacob Zuma
c/o One More Generation
P.O. Box 143627
Fayetteville, GA 30214

Dear President Zuma,

As the President of South Africa you are the President of South Africa's Rhinos. Once, not everyone in South Africa was treated like a Person, and now Rhinos are not being treated like living things.

All that lives can feel joy and pain, and should get treated with the respect they deserve, just like you would want to be treated.

Make sure the People don't treat the Rhinos like something just to use and abuse like a plastic mop! Make sure the People treat the Rhinos like fellow living things and fellow citizens of the land of South Africa.

Thank you for doing your tremendous part,
Joe
