

319

Date: October 22, 2012.

Dear President Zuma,

Do not hurt the rhinos.  
They horns do not cure any things.  
The people in South Africa are  
just killing them for nothing.  
Since you are the president  
they will listen to you so just  
tell them not to do that.

Sincerely  
Aaron Cawood.

Yours most sincerely,
