Dear President Zuma,

We want to save the Rhinos!!
We don't want the big four we want the
big five. I don't want no rhinos, we want
lots of them. We must stop the hunters
who kill them and take their horns, if we
catch them we must put them in prison.
Please we must stop this. At day and night
we must put guards at gates and check if
they have weapons.
SAVE THE RHINOS!!!

Yours most sincerely,
