Date: 27 November 2012

Dear President Zuma,

Please help us stop our beautiful Rhinos being poached in the Kruger National Park and in other game parks. We need to create more security in our game parks and ban the use of Rhino horns and create more awareness campaigns for people to know the importance of these beautiful animals please help us put the poachers, buyers and the sellers in prison

WE WANT THE BIG 5 NOT THE BIG 4!

Yours most sincerely,
