Hello, I am writing to beg, urge, and plead for you HELP to stop the poaching, killing and torture of the Rhinos

I saw a Baby Rhino on TV last night, and this BABY was Crying while standing near her Mother who had been killed for her horn.

Dear God this brought painful tears to my eyes, as I wept for the infant Rhino now motherless and I am crying again now, feeling the pain this mother and her baby went through.

It was not necessary, and I am hoping you agree with me. How horrible for a mother to be tortured, for her horn, while her infant baby lay grieving after witnessing this horrible event and now motherless.

I am feeling the pain of both the Mother and the Baby.

It hurts me so bad to know these beautiful gifts from God are being needlessly harmed.

This torture was not necessary, there has to be something done to end this.

The Horn belongs to the Rhino and Humans Can live without this horn, and respect the wild life.

Why is this allowed?

I am So sad President Zuma, and I am begging you for the kindness in your heart to put an end to these senseless killings.

Whatever God you believe in , I am certain you will agree that torture of innocent animals for any reason is not what God had planned for these creatures of his.

I am filled with pain and grief for these animals, and I beg you, Please do what ever you can to help.

When I have the Money, I Will travel to Your country and do whatever I can to help these and other animals that are being poached, killed, tortured.

I hope to Meet you when I do, and give you a warm loving hug of Thanks for your help in stopping the torture of Rhinos and other animals.

Feel free to write me if you like to correspond, and let me know if You know anything else I can do to help! I will do whatever I am capable of doing!

My Deepest Thanks to your for taking the time to read my email.

I hope to hear back from You with Good news

Sincerely
