Dear President Zuma,

Can you please stop people from
Killing Rhinos in Africa? they
don't make any harm. If you stop
them I will owe you 1* and there
are 20 White Rhinos left in the
World. Oh you out of your mind
people? are you done or what!!! I
mean it! And they already have
their nails! Why do they, I mean really
there leaving lives to death!!! East
Cooper Montessori children love
the Rhinos! they are amazing!!!

Yours most sincerely,
