Dear President Zuma,

Why are you hurting the  
 rhinos they don't hurt you. Why  
 should you do that if you making  
 the wrong choice. When i'm a  
 grown man I want my children  
 to see rhinos. Why are you shoot-  
 ing rhinos to heagins with.  
 If you keep shooting the  
 rhinos they will be extinct.

Yours most sincerely,
