Dear President Zuma,

Hi My name is Natalie. I want you to save the big five. the big five is five animals that are about to be extinct. An the animals are Rhino, Lion, wildbeast, Lepord, and sea turtle. the most extinct animals in the big five is the Rhino. people like to cut off the Rhinos horns. they think it is healthy an it is not healthy becuse ti has holf and fingerhows. So please save the Rhino and the big five. An please recycle.

Yours most sincerely,
