

Date: 11/8/12

Dear President Zuma,

Why are you killing the Rhino? What's special about the horns? My Dad always says, "If your going to Kill any animal you take the whole body." The Rhinos horn is the same substance as your hair and fingernails. The Rhino is part of the Big Five. The Big Five has five members: Rhino, Wildbeast, Lion, Leopard and sea turtle. Please stop killing the Rhinos!

Yours most sincerely,
