President Zuma,
President of South-Africa
Pretoria - South Africa

Dear President Zuma,

I'm very delighted
to write you this letter. How are you and
the people of your country? I hope by
the grace of God you are all fine
and ~~doing~~ well. I wish to have this
opportunity to express my views on
the killing of the rhinos in South-Africa.

I notice that in South African some
of your people kill the rhinos to make
enough money. But I think that killing
of the rhinos will not make ~~them~~ rich
forever But can only care for you with
in two or four month than it is finish
But the rhinos when they are alive

They also have their part to play But -
When your people continue proaching
them at ~~20~~ (Twenty) years there will
not be no more rhinos or they will
become extinct in the system.

The rhinos are very important
so please advise your people to
stop proaching the rhinos. other
wise we the young ones will not
have the opportunity to see the
rhinos But we can only be hearing
the name rhinos, ~~A~~ rhinos But we
will not know the kind of animals
it is.

Please and please again I beg
you to ~~plead~~ your people to put
an end to the proaching of the
rhinos.

Thank you very much for -
receiving my letter and I know you
will pay attention and read it to your
people ^{by} explaining each point clearly
to them.

Yours faithful,
Adele Elizabeth.
