Jacob Zuma

President of South Africa

Pretoria South Africa.

Dear Mr. President,

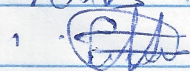

I am a boy of 14 years old. I am writing you this letter to plead with you, to tell your people to stop killing Rhinos.

Rhino is very important to us and also by the time our children grow, Rhino will become extinct, and also it will be difficult to see Rhinos. It will be disgrace for us that we cannot see Rhinos when we grow. I am pleading with you to please tell your people to stop the killing of Rhinos.

I will be very amazed when you tell your people to stop killing Rhinos.

Thank you

Yours faithfully
