President Zuma
President of South-Africa
Pretoria - South Africa.

Dear President Zuma,

I am a boy of
fourteen and the reasons why I am
writing this letter is to tell you to stop
killing of rhinos will not make you
rich forever, but can only care for
you within two or three month than it
finish. But the rhinos when they are die
they also have their part to play. But
when your people continue preaching
them at 20 (twenty) years there will
not be more rhinos or they will become
extinct in the system.

The rhinos are very importance
so please advise your people to stop
preaching the rhinos. ~~otherwise~~

otherwise the young one will not see
the rhinos, but they will only hear the roar
Thank you.

Yours faithfully
Francis Erue
