Dear Mr. President,

I am very happy to write you this letter the reason why I'm writing you this letter is to inform your people to stop poaching the Rhinos.

We have heard that your people are poaching the rhinos so tell your people to stop poaching the rhinos in the world.

We feel so sad and we also don't like it that way if they did not stop they are destroying people's property.

And we also don't know the Rhinos in the world so if your people stop poaching the Rhinos our future children will see come to your country to look at the Rhinos. have you

See the Zoo you will see many animals and how beautiful they are and the kids are playing
