President of South Africa

Pretoria - South Africa

Dear Mr. President,

I am very happy to write you this letter. How are you, I hope by the grace of God you are doing well and former president Nelson Mandela is also doing well.

Mr. President I am very also sad because I have found out that in your country South Africa, your people have been poaching the rhino and selling them in order to earn income.

Mr. President, rhinos are very important and if they are all killed by the people of your country, they will be extinct.

Mr. President, and if this happen, Mr. President I can assure you that twenty years to come your generations ~~will~~ will not see any rhino in your country South Africa.

Mr. President I like rhinos alot and when

2026

ever I go to the zoo I always want to see rhinos and
if I don't see them I become very sad so please
tell your people to stop killing the rhinos
in south africa.

I will like to end hear. Thank you

Yours faithfully
Gloria
