JACOB ZUMA
PRESIDENT OF SOUTH AFRICA
PRETORIA - SOUTH AFRICA

Dear Mr. President Jacob Zuma

I am very glad to write you this letter.
How are you? Mr. President, I hope you are fine by the
grace of Almighty God as I am here in Ghana.

Mr. President, I ^{was} ~~became~~ very excited when I
heard that there is a lot of Rhinos in your country South
Africa. But I became very sad when I heard that some
of your people in the country are killing them all and
selling them their horns.

Mr. President, I love and like Rhinos ~~very~~ so much
that whenever I visit the Zoo to see them, I feel so
excited. So if you leave your people in the ^{country there} ~~there~~ to kill
all the Rhinos I will not be able to see them anymore and
again whenever I visit the Zoo.

Mr. President, I can assure you that within
twenty years coming and your people are ^{still} not doing
away with their habits of killing the Rhinoceros in the country
South Africa ~~but~~ ~~still~~ killing the Rhinoceros in the country
we will not be able to see Rhinoceros anymore and again
whenever ~~we~~ ~~students~~ visit the Zoo to see them

So therefore, Mr. President, I will like to plead
with you and your people to put an end or cut out
of killing of the Rhinoceros to help improve the ~~the~~ develop-
ment of Rhinoceros in Africa

Yours Faithfully
~~Janet~~
