Dear President of South Africa

I am very sorry to write you this letter. Firstly how are you? I hope by the grace of Almighty God you are doing well as am also doing

The main reason for writing this letter is to tell you about the Rhinos your people are poaching in the world.

I have heard that your people are poaching the Rhinos in the world and I become very sad because Rhinos are important animals in the world.

Whilst they are important animals I take this opportunity to plead you to talk to the people so that they will stop poaching the important animals in the world.

So that in future when my children want to see Rhinos in your ^{country} world they can see.

Yours faithfully
