President Zuma,
President of South-Africa,
Pretoria - South Africa.

Dear His Excellency Jacob Zuma the President of
South-Africa,

I am very glad to write you this letter,
how are you? I hope by the Grace of God you are
fine. I wish to have this opportunity to write you this
letter or to express my views on the killing of rhinos
in South-Africa. Some of your people kill rhinos
to get enough money and buy many things, I think
that killing of rhinos to get enough money will
not help them, so please ~~to~~ tell them to stop
killing rhinos so that young people will learn
to see rhinos in the country. please I beg you
tell your people to stop killing rhinos so that
many ~~with~~ people young children will see rhinos
when they grow up. I am a girl of fifteen years
old ~~and~~ and I like rhinos whenever I visit the zoo.
I feel ^{very} excited and happy and people like to see them.

Mr. president I am writing this letter to you and your people to stop poaching Rhinos. This is because Rhinos are very important so when you poach them gradually within twenty years time they can become endangered species. That is we will not be able to see them again.

Mr. president, I would be very glad to hear that you have stopped poaching Rhinos in your country so that it will prevent them from becoming extinct.

Yours faithfully
Gadaga.
