Pretoria — South Africa

Dear Mr. President

I am very go delightful to write you this letter I hope you are doing well by the grace of Almighty God. the reason why I am writing to you is because of the Rhinos In your Country. I have heard that there are a lot of Rhinos in your country but your peoples are poaching them. When I heard that became very sad.

Mr President, I like Rhinos very, very much so whenever I go to zoo and I saw Rhinos I became very excited. So the day that I heard that your people are poaching the Rhinos. So when heard that, I become disappointed.

Mr President, I am expecting you within ten years coming and your peoples are still poaching the Rhinos in your country. I will not be able to see them again. or your country will not be able to see Rhinos anymore.

So therefore, I will like to plead on your behave with your peoples. to put a stop to the poaching of the Rhinos to help improve the development of Africa.

Yours Faithfully,

Sarah Cyanie
