Jacob Zuma
President of South Africa
Pretoria - South Africa

Dear Mr. President,

I am very grateful to write you this letter, How are you? I hope and believe that you are fine as I think.

Mr. President the reason why I am writing you this letter is about what is going on in your country. I am very sad about what is going on, your people killing the Rhinos and selling their horns.

Mr. President I like Rhinos very much so whenever I pay a visit to the zoo and see them I feel very happy. but I heard that your people are killing them and I felt unhappy or sad.

Mr President I can assure you that within twenty years and above coming your people should put an end to what is happening in your country. We will not be able to see them again or your generation will not be able to see them too or the Rhinos anymore.

So therefore, I will like to plead with you and your people to stop. it will help improve the development of South Africa.

Yours faithfully
