

August 6, 2012

Dear President Zuma,

I am very disturbed to hear how you're allowing people to slaughter Rhinos. These animals are not a threat to your people, country or to the environment.

You have the authority to stop this abuse. Please make them stop.

Thank you,

Maryann Leal

A handwritten signature in black ink that reads "Maryann Leal". The signature is written in a cursive style with a large, sweeping initial 'M'.
