Date: January 14, 2012

Dear President Zuma,

Please, stop the poachers that are killing rhinos. If they kill all the rhinos, they will be dead forever and we will never see a single rhino ever again. If the baby rhinos want to live, please bring them food to make more rhinos.

In this way, we could see rhinos at the zoo anytime. We go to the zoo and if we ever visit Africa.

Yours most sincerely,

Signature: Sincerely
