Dear President Zuma,

I hope omg grows. I was wondering can I join!
 I wonder if can be a member of my class.
 recycle more and no trash bags be cause it can
 pile up go over gates and into the river.
 so what I really want is to make
 killing rhinos illigale because then we
 would have no rhinos. Bam bam
 that's the population going down. Bam Bam
 that's the sound of a baby rhino
 getting killed. If the mother is killed
 what happens to the baby it gives up
