Dear President Zuma,

We Will help you stop people  
from taking rhinos horns. It is wrong  
to hurt animals. Animals can die, some people are  
heart less for killing animas. With out animals  
we would have no food. People should stop  
hurting Rhinos are getting hurt, they  
ould go to jail or gwey. One day a dolphin  
hole was stuck with a bag, so she swimed  
to the beach and a dog took the bag  
out the beach and a dog took the bag  
out of her. Can you tell me more about  
African and tell me how it things.

Yours most sincerely,
