Dear President Zuma,

Stop!!! Killing the rhinos!!
 they are part of nature and
 did you know that rhinos are
 living and their part of
 our life. Rhinos are not
 mean so why are you
 killing them, if their mom
 gets killed, they would soon
 get killed too. and that
 is very bad to me
 did you know that rhino
 horns are finger nails
 and they taste disgusting.
 so they taste disgusting.

~~Yours most sincerely,~~

OVER
↓

since you are killing the rhinos
 they will soon be no more
 and you won't get to in joy
 and be happily looking at them
 and having fun times and you
 won't have fun times looking
 at rhinos and you won't
 have an as fun life,
 they deserve a good life too.
 they are good animals,
 did you know why you are
 killing rhinos for no reason at all.
 all this you are doing is killing
 rhinos, did you know all that what
 you do with rhino horns
 you can use rhino horns
 in steel. IF you don't stop
 killing rhinos they will
 be gone, not just tomorrow not
 just in a week not for
 a month but

forever

Your most ^{sincerely} Amy Morefield
