Dear President Zuma,

I'm writing on the behalf  
of the rhinos. Stop the poaching for  
the rhino sake! Try to do something  
about it! Try 24 hour security  
cameras, electric fences. Plus  
rhino horns have less than a medical  
value. You're hurting the ecosystem!  
448 rhinos were killed in 2011.  
Please stop the poaching. Rhinos use there  
home for bringing young rhinos.  
I'm not trying to be mean

Yours most sincerely,
