Dear President Zuma,

I'm writing because I care for  
the rhino species. They're  
depending on us to help  
them! My name is Jaemin,  
I'm eleven years old and in  
5<sup>th</sup> Grade. If we're not  
there for them the rhinos  
might suffer the pain of  
poaching and extinction.  
You need more security!  
There is no medicinal  
value in the rhino's horn!

Yours most sincerely,
