

#595

Date: 1-8-13

Dear President Zuma,

Do you like money
well if people stop killing
rhinos then more people
will come to see the rhinos.
Why kill the rhinos for their
they don't even work for
medicine. Rhinos can't fight
without their horn so
if people cut it off they
will die in fights. And
don't let them suffer
in the wild on their own.

Yours most sincerely,
