President Jacob Zuma
c/o One More Generation
P.O. Box 143627
Fayetteville, GA 30214

Dear President Zuma,

Now is the time to act! Too many rhinos have already been lost to poaching. We must put an end to this cruel and unjust action. Please do something to help these poor animals before it is too late!!!

Your country is very lucky to have these very special animals. Please protect them and be a champion for them.

Regards,

Elke Passarge
