

Date: 28 JANUARY 2013

Dear President Zuma,

It is a sad reality which we cannot
ignore - our precious rhinos are being
poached in a brutal manner for their
horns, consequently, facing extinction.

Many of us are trying to make a
difference - spreading awareness, raising
funds etc. - but need help from an
authority figure, such as yourself Mr
President, to drive the message home.

Please help us to stop poaching permanently!

Yours most sincerely,
