

EXTINCTION IS FOREVER

SAVE THE RHINOS!!

Dear President Zuma,

It has become quite urgent to address the situation of the ever decreasing RHINOCEROS population. I implore you to take action NOW to save the RHINOS that are left in our world. Please stop the poaching! You have the ability to make a difference for the plight of the RHINO. The world is counting on you to keep this beautiful creature from going extinct during our lifetime.

PLEASE SAVE THE RHINOS! Thank you for your time and urgent action.

Sincerely,
