

Dear President Zuma

I have loved Rhinos since I was a little girl
and I don't want them to go extinct before
I have children I love Rhinos from the
bottom of my heart. Please ~~stop people~~ poaching
the rhinos thier Horns are worthless. Horns
don't help Humans they help Rhinos more
than humans. It is just like a human
with no arms with a child!

Save the
Rhinos!

From Peyton
Volpe

Save the Rhinos

Peyton Volpe
