Dear President Zuma,

Hi I am Brindin I live in
 west richland my school is
 wiley. You should make a law
 of no poaching rhinos allowed.
 If you do you will make
 kids happy. It is weird you
 go from 13 rhinos being killed
 to 600 being killed. Do you
 now how painful that would
 be. I imagine if you were a
 rhino being poached. You need
 to hurry and make that law

Yours most sincerely,
