Dear President Zuma,

I am writing to you to  
 Persuade you to stop the  
 poaching of the rhinos! Did  
 you know over 600 rhinos  
 were poached in 2012! Whereas,  
 only 13 rhinos were poached  
 in 2007. The Western Black  
 rhinos in Africa became  
 extinct in 2011 by the poaching.  
 I think your government needs  
 pass laws to stop this poaching

Yours most sincerely,
