Dear President Zuma,

please help save the rhinos! Did you
 know that in 2007 13 rhinos were
 killed. ~~In~~ 2012 600 were killed.

Crazy right? Your fingernails are made
 of the same substance as rhino horns!
 There isn't even a medicinal value!
 no more rhinos should die!
 the western black rhino is now
 extinct! please help!

Yours most sincerely,
