

Date: 1-30-13

Dear President Zuma,

Your people are disresecting you.
They are disrecting your rhinos too.
I imagine if tourists don't come, it
will hurt your economy and imagine
"President Zuma, the Savior of the
white rhinos" in the headlines everywhere!
Wouldn't that be wonderful? So please
Stop the Slaughtering of this endangered rhino
from becoming extinct.

Yours most sincerely,
