Dear President Zuma,

Stomp! Stomp! Stomp! Rhinos are  
 at risk. President Zuma you ~~don't~~  
 know what they have been through.  
 Their horns are like our fingernails,  
 but the most important you should  
 care about are your rhinos. South African govern-  
 ment revealed that 668 rhinos  
 were slaughtered. If the mom  
 dies, the baby will die too.  
 also. The birds will die too because  
 they rely on the rhino. Do you  
 want that to happen?

Yours most sincerely,
