Dear President Zuma,

I'm writing to you to  
persuade you to stop the  
Poaching of rhinos! Did you know  
Rhinos need to stay with  
their babies until the babies  
are 4 years old! Rhinos are  
almost extinct! In 2007 13  
rhinos were poached in a year.  
By 2012 600 rhinos were killed  
by poachers! Poor rhinos! You  
are the only one that can save  
them so please help them!

Yours most sincerely,
